2011 EDITION NEWSLETTER

Greetings to our readers:

The Inner Peace

**Her Grace Archbishop Dr.
Deloris Seiveright
Of NESBF**

Since our last newsletter Shouters has impacted more youths and more people in the community. During our service we give credit to the anointing of the Holy Spirit and the laying of hands, which let people come forth every Sunday to give a testimony about their healing. This encourages more people to become members of the church.

This year I have done at least five weddings and it has taught me more about true love, the inner peace and simply the connection of hearts all around.

Those who want inner peace can find it only by complete forgiveness. You cannot let your mind be unguarded or you will not be able to find the power of your thoughts. That is why I love this scripture Philippians 4:7 “the peace of God which surpasses all understanding” and it will “guard your hearts and mind through Jesus Christ our Lord.”

However let us look at the world as it is today, do they have peace? The world has been threatened with wars, weapons, abuse, suicide, storms and terrorism at least most of the time that is what we hear about. I know through my experience, that there are many people that are driven and are fulfilled with the Holy Spirit that have inner peace. The Spirit of God has comforted them also. It illuminates them with the light of the universe, which is God.

According to John 14:27 “peace I leave with you, my peace I give onto you, not as the world gives do I give to you. Let not your heart be troubled, neither let it be afraid.” When you are in fear you should face God by trusting him through prayer and He will give you peace in time of crisis.

The secret of peace is meditation, prayer, sharing the love and true friendships. We can truly say God has been gracious to us and plenteous in mercy.

If you need to know about the inner peace or the anointing of the Holy Spirit, please visit us on Sundays.

Entrepreneurs Graduation

Shouters runs an entrepreneurial program for the youth which is aimed at providing guidance through skill development workshops, that are facilitated by various professionals. The program is coordinated by Archbishop Seiveright, along with the assistant coordinator Kimberley Jordan for youth between the ages of 16 and 25. The students are required to prepare a business plan from which they are to essentially start their own business.

This program lasts 11 months and enables 8 students to attain a successful launch of their individual business ventures. The youth's accomplishments will be honoured with family, friends and program supporters at their graduation later in the year.

23rd Church Anniversary

Shouters Baptist was established in Canada in 1974; from 1984 to 1988 Dr. Deloris Seiveright assumed supervision of Shouters from Trinidad and Tobago. Since 1988 Archbishop Seiveright has overseen (8) NESBF churches in Toronto, Ontario as well as Montreal, Quebec. Achieving such a feat would not be possible without the great support from the community.

This year Shouters NESBF celebrated our 23rd anniversary, and this year's celebrations were accompanied by acknowledgement from the City of Toronto and the Ontario Government. We were presented with recognition for community dedication and enthusiasm from Michelle Berardinetti (Councillor, Scarborough Southwest).

Shouters also received recognition for the ability to spiritually strengthen the faith and well-being of the community, presented by Margaret Best (M.P.P for Scarborough-Guildwood) and Hon Mr. Seth George Ramacon shared his message of encouragement.

These messages are greatly appreciated. Congratulations Shouters on 23 years!!
